

HOOPS 4 HEALING BASKETBALL TOURNAMENT

Every basketball season Oswego & Naperville North High Schools co-host the Hoops 4 Healing Tournament to benefit Edwards Hospital and Camp Hope.

Camp Hope is a unique support program at the Edward Cancer Center. It helps children who have a parent or grandparent undergoing cancer treatment to interact with other children who are going through similar experiences.

Camp Hope offers two-1 week sessions every summer for kids ages 5 thru 12. Giving them a chance to 'be kids' in the midst of difficulties going on at home.
